## BOOK SYNOPSIS

"Edens unsurpassed creativity shines once again!" --Larissa Ione Under Fire  
Eve Bradley was undercover looking for a story, not a cause. But something about the man they called Subject Thirteen got her involved. The scientists said he was a devil, and they had a decent case: Terrifying power. A bad attitude. And looks that could lead anyone to sin. . . Cain OConnor knows the minute he catches her candy scent that Eve could drive him wild. But shes a threat--in a way no one has been for him in years. Shes safer away from him, too. But with a powerful conspiracy determined to shut Eve up for good, theres no time to argue. All they can do is trust their instincts--and their hearts. . . Praise for Cynthia Edens novels "Cynthias on my must-buy list."  
--Angie Fox "A fast-paced, sexy thrill ride you wont want to miss." --Christine Feehan on Eternal Hunter
