BOOK SYNOPSIS

Creating an inclusive classroom means understanding federal legislation as well as national and state standards, but the practical and streamlined seventh edition of *Creating Inclusive Classrooms: Effective and Reflective Practices* recognizes that it means more than that. This text goes beyond the typical inclusion text, translating theory and research into practices you can use in your inclusive classroom by illustrating the principles of effective inclusion through classroom scenarios, online footage, and successful strategies. The text has the most current vision of today's inclusive classroom, which truly helps you create a successful educational experience for all students. New to This Edition: *NEW UDL and You features throughout the text guide you in understanding and implementing the principles of universal design to help all learners access the general education curriculum and succeed in inclusive classrooms.
