## BOOK SYNOPSIS

Eve is an outcast. A chimera. After years of abuse and rejection, 19-year-old Evelyn Kingston is ready for a fresh start in a new city, where no one knows her name. The esteemed Billington University in Southern California seems like the perfect place to reinvent herself-to live the life of an ordinary human. But things at Billington aren't as they seem. In a school filled with prodigies, socialites, and the leaders of tomorrow, Eve finds that the complex social hierarchy makes passing as a human much harder than she had anticipated. Even worse, Billington is harboring a secret of its own: Interlopers have infiltrated the university, and their sinister plans are targeted at chimeras-like Eve. Instantly, Eves new life takes a drastic turn. In a time filled with chaos, is the world focusing on the wrong enemy? And when the situation at Billington shifts from hostile to dangerous, will Eve remain in the shadows, or rise up and fight?

**EVE THE AWAKENING** - Are you looking for Ebook Eve The Awakening? You will be glad to know that right now Eve The Awakening is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
