BOOK SYNOPSIS

Maya Goodwin doesn't believe in holding back. Ever. As a cop, she never hesitated to throw herself into harm's way to save someone. Even after an injury on the job forces her to retire, she's not afraid to keep risking it all to get the life she wants. With a new career teaching martial arts to kids already underway, she's looking forward to the future - and taking a chance on the unbelievably hot Dr. Alex Nolan. Maya - daring and spontaneous - is the exact opposite of what Alex always thought he wanted. But when a nine-year-old daughter he never knew existed shows up on his doorstep, Maya is the one who helps them hold it together. With love on the line, will the guy who's always played it safe be willing to take the biggest risk of all?
