BOOK SYNOPSIS

The #1 bestselling author of *Saturday* and *Atonement* brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy in his unforgettable, emotionally engaging new novel. The year is 1962. Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London. Falling in love with the accomplished, shy and sensitive Florence - and having his affections returned with equal intensity - has utterly changed his life. Their marriage, they believe, will bring them happiness, the confidence and the freedom to fulfill their true destinies. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past, to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, *On Chesil Beach* is an extraordinary novel that brilliantly, movingly shows us how the entire course of a life can be changed - by a gesture not made or a word not spoken. From the Hardcover edition.

ON CHESIL BEACH - Are you looking for Ebook *On Chesil Beach*? You will be glad to know that right now *On Chesil Beach* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *On Chesil Beach* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *On Chesil Beach* and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *On Chesil Beach*. To get started finding *On Chesil Beach*, you are right to find our website which has a comprehensive collection of manuals listed.
