## BOOK SYNOPSIS

Seventeen-year-old Arin Andrews shares all the hilarious, painful, and poignant details of undergoing gender reassignment as a high school student in this winning first-of-its-kind memoir. Now with a reading group guide and an all-new afterword from the author! In this revolutionary first-of-its-kind memoir, Arin Andrews details the journey that led him to make the life-transforming decision to undergo gender reassignment as a high school junior. In his captivatingly witty, honest voice, Arin reveals the challenges he faced as a boy in a girl's body, the humiliation and anger he felt after getting kicked out of his private school, and all the changes—both mental and physical—he experienced once his transition began. *Some Assembly Required* is a true coming-of-age story about knocking down obstacles and embracing family, friendship, and first love. But more than that, it is a reminder that self-acceptance does not come ready-made with a manual and spare parts. Rather, some assembly is always required.
